## **WHAT DOES THE EVENT OFFER?**

**The 5-day program, consists of four components: Boot-Camp presentations & Keynote Speeches<sup>1</sup>; Training sessions and Legislative Workshop<sup>2</sup>; Networking Roundtables and Film Presentations<sup>3</sup>; and a Specialized Excursion Trip to the UK House of parliament<sup>4</sup>.**

The program brings together unique insights from Legislative and Parliamentary experts. It will build capacity for political leadership, legislative and advocacy management, and its sessions will include recognised international plenary speakers, members of UK house of parliament, workshops and training experts and consultants, as well as “real-world” skills developers with cognate experiences.

### **Modules covered in the programme will include but not limited to:**

- Strengthening Legislature, People confidence and Relationship with other arms of Government
- Developing and Managing Constituency Projects
- The difference between House of Assembly and Government
- How a bill becomes a law
- How members of the public can get involved
- Global Trends in understanding Legislature and the shift in electoral practices
- Law making in action
- Government's legislative programme
- Checking and challenging the government's agenda
- Comprehensive view of how the legislative system works
- Proposing new legislation
- How laws are introduced, checked and passed
- Getting involved and directly engaging the public in the law-making process
- Participatory Budgeting and People Accountability

Delegates will be able to establish consortia with other parliamentarians across the UK, work on the different tools of engagements and advocacy. The boot camp programme and workshops will be highly interactive with room for discussion of experiences, case studies and exercises. In the end, the participants will have gained a full overview and knowledge on what it takes to assume leadership roles, function effectively in the legislative house, promote legislation and good governance as well as advocate issues of public interests.
